STEAM SOCIETY

The STEAM Society is a group of supporters and donors whose generous contributions have made the Spark Science Center's exhibits, interactives, and educational initiatives possible.

The following items are STEAM Society sponsorship opportunities for interactives within the exhibits! Support innovative, hands-on learning experiences and join us in our mission to inspire and educate the next generation. Your contribution will make a lasting impact on the future of STEAM education.

Item sponsorships are expected to sell quickly, so please call Sheila Scevers at 325.673.4587 ext. 109 to check availability.
